

FROM THE EDITOR'S DESK

Year: 2023 Volume: 12 Issue: 1

Dear Readers,

Warmest greetings from the editorial team.

I would also like to motivate all of you to involve yourselves in many more research studies and also not to forget to voice your opinions by publishing them in our Institute journal. Since our journal includes many categories, I invite all of you to make regular contributions to our journal. I also encourage other allied health professionals and researchers to publish their new research data in our journal.

I really hope that our readers, academicians and clinicians will find this issue to be thought-provoking, academically significant, and helpful in developing a diversity of perspectives on aspects of dentistry.

With best regards,
