

## FROM THE EDITOR'S DESK

Year: 2018 Volume: 7 Issue: 2

Dear Readers,

We extend Warm greetings of the upcoming New Year 2019 to all on behalf of the editorial board of JOMFP.

The second issue of JIDS for this year (July-December 2018) is reaching you all. Both the issues have been published well within the time frame. JIDS is concentrating on the quality of the manuscripts rather than only the numbers. The manuscripts submitted to JIDS go through strict review process. This is essential for maintaining the standard of the journal. The backlog of submitted manuscripts is under review process and will be published in the upcoming issue once all the standard requirements of the journal are fulfilled.

I would also like to take this opportunity to thank the authors who have put their trust in this journal and have considered it worthy for publication of their good research work. Over the years, the journal has risen to higher standards. Hope our readers enjoy reading the articles and continue their patronage with JIDS.

With best regards,

Dr. Vinita Murgod
